<input type="checkbox"/> Refund	<input type="checkbox"/> Correction
<input type="checkbox"/> Disability	<input type="checkbox"/> Other

This form is available in an alternate format upon request.

CERTIFICATION OF MEMBER EMPLOYMENT INSTRUCTIONS

1. Member employment section

"First Date of Work" is the first day the member was compensated for in the certified school year.

"Last Date of Work" is the last day the member was compensated for in the certified school year.

"Number of Compensated Hours (Total Hours)" is the number of hours a member is employed and compensated for in a school year (not to exceed 700 hours). The calculation for compensated hours is as follows:

■ **Days worked during the fiscal year X total hours worked each day.**

Example 1: A member signs a contract for 182 days for 8 hours per day. The contract starts August 26 and ends May 22. The member is to be compensated over a 9-month period. Total compensated hours are 1,456 hours (8 hours X 182 days = 1,456). Report the maximum 700 compensated hours and last date worked as May 22. The compensated hours and last date worked are reportable on the May report.

Example 2: A member signs a contract for 90 days for 7½ hours per day. The contract starts August 26 and ends January 10. The member is to be compensated over a 12-month period. Total compensated hours are 675 hours (7.5 hours X 90 days = 675). Report 675 compensated hours and last date worked as January 10. The compensated hours and last date worked are reportable on the June report.

Example 3: A member signs a contract for 180 days for 8 hours per day. The contract starts August 26 and ends May 22. The member takes 10 days of leave without pay. The member is being compensated over 9 months. Total compensated hours are 1,360 hours (8 hours X 170 days = 1,360). Report the maximum 700 compensated hours and last date worked as May 22. The compensated hours and last date worked are reportable on the May report.

2. Monthly report section

Report contract/additional salary, retirement salary, member and employer contributions on a monthly basis (the same as you would on your monthly report). The total of taxed member contributions and tax deferred member contributions must equal 11.75% of the retirement salary. Employer contributions must equal 12.75% of the retirement salary.

If you have any questions, please contact the Administrative Office.
